## OnePlate America Launches the Think It Out Loud Tour

Atlanta, Georgia (February 6, 2017) – [OnePlate America]

OnePlate America has launched its “**Think It Out Loud Tour**.” This tour creates opportunities for national conversations with young people ages 15 – 18 and gives them with a platform for the cultivation of ideas concerning personal development along with educational and career advancement. During these conversations, students share thoughts for becoming effective leaders in their schools and communities.

The “**Think It Out Loud Tour**” kicked off Saturday, January 21, in Atlanta GA, with a dynamic group of young people who were ready and willing to speak their minds. The tour continued to Washington, DC, receiving an equally dynamic response from the young metro DC participants. This week, the tour will welcome student leaders in Birmingham, AL on Saturday, February 11.

The “**Think It Out Loud Tour**” will visit more cities across the nation and conclude with the “**Think It Out Loud BASH**” later this year. This event will be a celebration for tour success; showcasing our outstanding student leaders and serving to inspire those that impact communities across this country.
